

**ASSEMBLY BILL**

**No. 2554**

---

**Introduced by Assembly Member Bill Berryhill**

February 24, 2012

---

An act to amend Section 7106.5 of the Business and Professions Code, relating to professions and vocations.

LEGISLATIVE COUNSEL'S DIGEST

AB 2554, as introduced, Bill Berryhill. Contractors.

Existing law, the Contractors' State License Law, provides for the licensure and regulation of contractors by the Contractors' State License Board. The registrar of contractors is the executive officer and secretary of the board and is required to carry out specified administrative duties. Under existing law, the expiration, cancellation, forfeiture, suspension, or voluntary surrender of a license does not deprive the registrar of jurisdiction to proceed with, among other things, any investigation or disciplinary proceeding against the license.

This bill would additionally specify that revocation of a license does not deprive the board of that jurisdiction.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
